REQUEST FOR STAY

International Broadcasting Network ("IBN") hereby requests a stay of the effect of the Report and Order ("Order") adopted on October 2, 2002, and released on October 9, 2002, in the above-captioned consolidated proceedings. In support hereof, IBN respectfully shows the following:

I.

On November 8, 2002, IBN filed a petition for reconsideration. That petition for reconsideration shows that the Order was based on incorrect information and that its adoption was arbitrary and capricious, an abuse of discretion and contrary to law.

04-10

11.

Section I. 102(b)(2) of the Commission's Rules empower the designated authority to stay the effect of its action pending disposition of the petition for reconsideration. Under the compelling circumstances which exist in this instance, the public interest requires that a stay be immediately granted. In the absence of a stay, the Order's substitution of channels will become effective on November 25, 2002, and IBN will suffer irreparable harm, including, **but** not limited to, **loss** of channels now licensed to IBN.

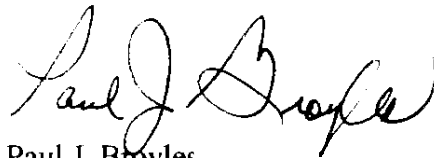

111.

For the foregoing reasons, and for all of the reasons set forth in IBN's previous filings, IBN respectfully urges that the effect of the Order be immediately stayed pending final disposition of IBN's petition for reconsideration.

Respectfully submitted,

INTERNATIONAL BROADCASTING NETWORK

By its President
